“ Dear Dolly & Family,
We are so sad to hear about Everett's passing.
We send you our deepest sympathy. Tony just
saw and spoke with Everett at the donut shop
one of the mornings during the "Run to the
Sun" weekend. We have many memories of
stopping in to say hello at his shop when ever we were in Lake
Havasu. There are also memories of attending your wedding and of
the years that Everett and Tony worked together for Tony's dad.
Everett was a good man and he'll be missed.
Our thoughts and prayers are with you.
