“ Some of my fondest memories of Mr. Fraser are the boat trips he would take with his family. They'd be out all day and come home exhausted from a sun-filled day on the water and we'd waive from our patio upon their return. The other fond memory is that poster of Rachel Welch he had hanging in the garage...forever. Is it still there? Mr. Fraser appreciated a beautiful woman.

none of his family attended his celebration of life. Bonnie and girls came a week later and I love them all for their kindness. Kim of course could not fly to Arizona because of her health. Actions speak louder then words. Thanks his wife Helen

Happy Fathers Day in heaven Daddy! We had planned to spread some of your ashes around the Fire Island Lighthouse with just your children and grandchildren. Once again Mother Nature was not cooperating. Hopefully we can on your birthday. Love and miss you Daddy! ~ Bonnie
